Camp DISCOVERY

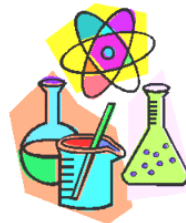

"My children love science so
this camp is perfect for them."
~ 2017 Parent

Last year was the twenty-fifth year for Camp Discovery. We have an all-new curriculum with "Exciting Engineering" as the theme. As students have fun with hands-on activities, they will explore engineering from rockets to robots.

Camp Discovery is open to children currently enrolled in **first through fifth** grades (2017/18 school year). It's a week-long series of activities packed with unforgettable experiences.

Each group of 20 students will have its own Findlay High School (FHS) counselor who will be with the campers all day.

Each teacher will be assisted by a student teaching assistant from FHS.

A Science Program for Grades 1-5

"Exciting Engineering"

Date: June 4 - 8, 2018
8:30 - 3:00 daily

Location: Donnell Middle School
301 Baldwin Avenue

Visit us on the Web:

Sponsored by: Findlay Enrichment Programs and Findlay City Schools

Companies and organizations providing financial and/or scholarship support in 2017:

Ball Corporation, Cooper Tire & Rubber Co., Marathon Petroleum Corporation, Outback Steakhouse.

Camp DISCOVERY

A HANDS-ON EXPERIENCE WITH
SCIENCE AND TECHNOLOGY

*"Camp Discovery is the best thing ever!
I think it's amazing."
~ 2017 Camper*

*"My son had a super time! He has talked
and talked non-stop about camp."
~ 2017 Camp Discovery Parent*

At Camp Discovery campers will engage in hands-on discovery activities. Learning and fun will go hand-in-hand.

Summer 2018 Camp Discovery activities include:

- **Paper Engineering** – Amaze yourself when you adapt the laws of physics and mathematics to make your own Paper Engineering pop-up book.

FHS Art Teacher Jason Wagner

- **Civil Engineering** – Build bridges to withstand weight and force, wind cars and boats in Civil Engineering. Plus design a life jacket for a toy baby.

Bigelow Hill Teacher Beth Ann Nissen

- **Computer Engineering** – Program Edison Robots to “move and groove” in Computer Engineering. See what your robot will be able to do!

Chamberlin Hill Teacher Patty Majors

- **Aerospace Engineering** – Acclimate yourself to the moon as an Aerospace Engineer when you create a rocket and launch it from camp.

Donnell Math & Science Teacher Jodi Smith

- **Mechanical Engineering** – Build and launch a projectile, competing for the longest distance, best design and greatest accuracy at the end of the week in this Mechanical Engineering class. Plus create a solar-powered motor to propel the car you make.

FHS Science Teacher Tyler Smith

- **Chemical Engineering** – Explore the wide world of Chemical Engineering by creating and interacting with different chemical products, including a Non-Newtonian fluid, Oobleck – both a liquid and a solid.

Bigelow Hill Teacher Kyle Watts

- **Recess and Noontime Activities**

Donnell Gifted Teacher Kate Winger &
FHS Counselor Maria Little

Teachers are selected for their creativity and willingness to let kids "do it themselves." All are state certified. Counselors and teaching assistants are Findlay High School students.

Location: Donnell Middle School
301 Baldwin Avenue
Time: 8:30 a.m. - 3:00 p.m.
Grades: 1-5 (2017/18 school year)
Camp Fee: \$160 per student
(Cancellations after May 4th will be assessed a \$25 processing fee.)

Cost covers classes, materials, t-shirt and lunches for the week.

Deadline: Registrations will be accepted starting **Thursday, March 15** from 8:00 a.m.-1:00 p.m. and 3:00-4:30 p.m. at the Administrative Offices (behind Great Scot), 2019 Broad Avenue, Findlay. Space is limited to 120 campers. Time of registration will be noted on the application. Priority will be given on sign-up day to students enrolled in Findlay City Schools. No mail-in registrations counted in tally prior to March 15.
