Last year was the eleventh year for Camp World, a multi-cultural experience. Campers and families gave us the message—"Do it next year." So we are "doing it again!" We have an all-new curriculum for our five countries: Indonesia, Japan, Malaysia, Singapore and Taiwan.

Camp World is open to children currently enrolled in **kindergarten through fifth** grades (2016/17 school year). It's a week-long series of activities packed with unforgettable experiences.

Each group of 20 students will have its own Findlay High School (FHS) counselor who will be with the campers all day.

Each teacher will be assisted by a FHS teaching assistant.
