

Superintendent's Message

August/September 2018

I am so excited to begin the 2018-2019 school year! This has been a busy summer with repairs to the high school and Glenwood from the storm and getting ready to kick off our 1:1 Chromebooks in grades 3, 6, and 9! Findlay City Schools educators are dedicated to continuing to offer rigorous and engaging learning opportunities for students. Many of our teachers have worked tirelessly over the summer taking advantage of many professional development opportunities. As a district we are focused on building relationships, creating opportunities for students and staff along with building great leaders. Our mission statement: Educating and Empowering for Life, along with offering many opportunities, great leadership and the ability to build lasting relationships is something we at Findlay City Schools strive for each day!

As we begin this school year, I invite all of you to visit your child's school, connect with their teachers and become a vital part of their education. We need each and every one of you to make your child's educational experience the best it can be. There are many volunteer opportunities for parents to get involved in. I encourage you to join the PTO in your child's building and be a part of the great things that happen here at Findlay City Schools. I also encourage you to sign up for text messages and emails to keep connected with the district and your child's school. This can be done on our website www.fcs.org.

Enrollment in our district for students Pk-8 grade takes place at the Administration Offices at 2019 Broad Ave. and high school enrollment takes place at 1200 Broad Ave.

I look forward to another successful year at Findlay City Schools!

#TrojanTrue

Edward P. Kurt, Superintendent
