PRESS RELEASE

FOR IMMEDIATE RELEASE

DATE: October 12, 2020

FINDLAY CITY SCHOOLS TO MOVE TO FOUR DAYS PER WEEK IN-PERSON LEARNING

Findlay City Schools will be moving to a modified hybrid model, implementing a 4 day per week schedule. Students will report to school on Monday, Tuesday, Thursday, and Friday. Wednesdays will be a remote learning day for students. Being closed on Wednesdays allows for critical intervention services for immune-compromised students, and students who need additional support. The plan also allows for the rigorous cleaning of the buildings. The district will roll out a staggered schedule as follows:

Kindergarten-5th grades-start date: October 26, 2020

6th-12th grades-start date: November 2, 2020

As the school year progresses, this plan may fluctuate based on current county indicators and color designations. We will continue to review our plan to best meet both the health and educational needs of our students.

The district will continue to implement a variety of health and safety measures designed to prevent the spread of COVID-19 and other illnesses. These include mandatory face coverings, social distancing as feasible, frequent hand-washing, and the regular cleaning and disinfecting of high-touch surfaces and common spaces. The primary symptoms of COVID-19 can be found at the Center for Disease Control's website at www.cdc.gov
